

**AN ORDER OF
THE ENGINEER RING CEREMONY
WILL BE HELD
AT THE 2005 ENGINEERS WEEK BANQUET
FEBRUARY 26, 2005 AT 5:00 P.M.
AT THE ALA MOANA HOTEL**

The Hawaii Council of Engineering Societies invites you to participate in the Order of the Engineer Ring Ceremony to be held preceding the Engineers Week Banquet. This is an optional event and participants are welcome to attend the Banquet after.

The Order of the Engineer was initiated in the United States to foster a spirit of pride and responsibility in the engineering profession, to bridge the gap between training and experience, and to present to the public a visible symbol identifying the engineer. The first Ring Ceremony was held on June 4, 1970 at Cleveland State University. Others like it have since spread across the United States at which graduate and registered engineers are invited to accept the Obligation of the Engineer and to wear a stainless steel ring.

The Ring Ceremonies are conducted by Links (local sections) of the Order, of which the American Society of Civil Engineers (ASCE) is one. On April 15, 2004, 75 people participated in the first Ring Ceremony held in Hawaii. More information on the Order of the Engineer can be found at www.order-of-the-engineer.org.

Any engineer is eligible for induction into the Order of the Engineer if he or she has graduated from an ABET-accredited engineering program or holds a license as a Professional Engineer. Students enrolled in ABET-accredited engineering degree programs are eligible if they are within two academic terms of graduation. Guests are welcome to witness the induction ceremony.

Participants at the Engineers Weeks Banquet Ring Ceremony will take the Obligation of the Engineer and receive a stainless steel ring. The cost for the Ring Ceremony will be \$17.50. A registration form for the Ring Ceremony is attached. To assist in determining your ring size, a ring sizing chart is available from the HCES website at www.hces.us.

For additional information on the Ceremony, please contact: Westley Chun, HCES Vice Chair, at 488-0477 or Westley.Chun@ch2m.com.
