The American Society of Civil Engineers (ASCE) Hawaii Section will be hosting the Scholarship Golf Tournament in Honor of Steve Fong on August 6, 2010 at the Pearl Country Club. For the past 7 years, the various construction industry/engineering organizations and the agencies have combined their efforts to raise scholarship funds for a deserving University of Hawaii Civil Engineering student. This year the scholarship funds will be donated to the ASCE Student Chapter and the College of Engineering Research Assistant Program, which it is currently in jeopardy, due to budget cuts. The ASCE Hawaii Section proudly looks forward to hosting this worthwhile fundraising tournament for our future engineers.

We and the scholarship recipients are very thankful for the support and camaraderie during the previous tournaments. Again, we are looking for your help and support to make this year's tournament a successful one.

Please help by submitting a corporate sponsored team or registering individual (Please see the attached application form). We also welcome any donations for the golf event, monetary gifts, merchandise, and/or gift certificates for team prizes. All donations, excluding the value of any services/benefits received, are tax deductible.

We greatly appreciate your support. The deadline to sign for the tournament is on July 31, 2010. Should you need any additional information, please do not hesitate to call Lori Fong at 955-4441 or Ron Iwamoto at 486-5202.
